

2025 Teaching Excellence Program

Program overview

Teaching Excellence Program (The TEP)

The TEP is right for you if you're...

- ✓ a highly skilled teacher
- ✓ looking to develop excellent teaching practice
- ✓ ready to inquire into your classroom practice and your role as a teacher
- ✓ open to making connections with other like-minded and passionate teachers.

What makes TEP different?

Year-long

Across all sectors and
school settings

Learning in and
across disciplines

Developed by
teachers

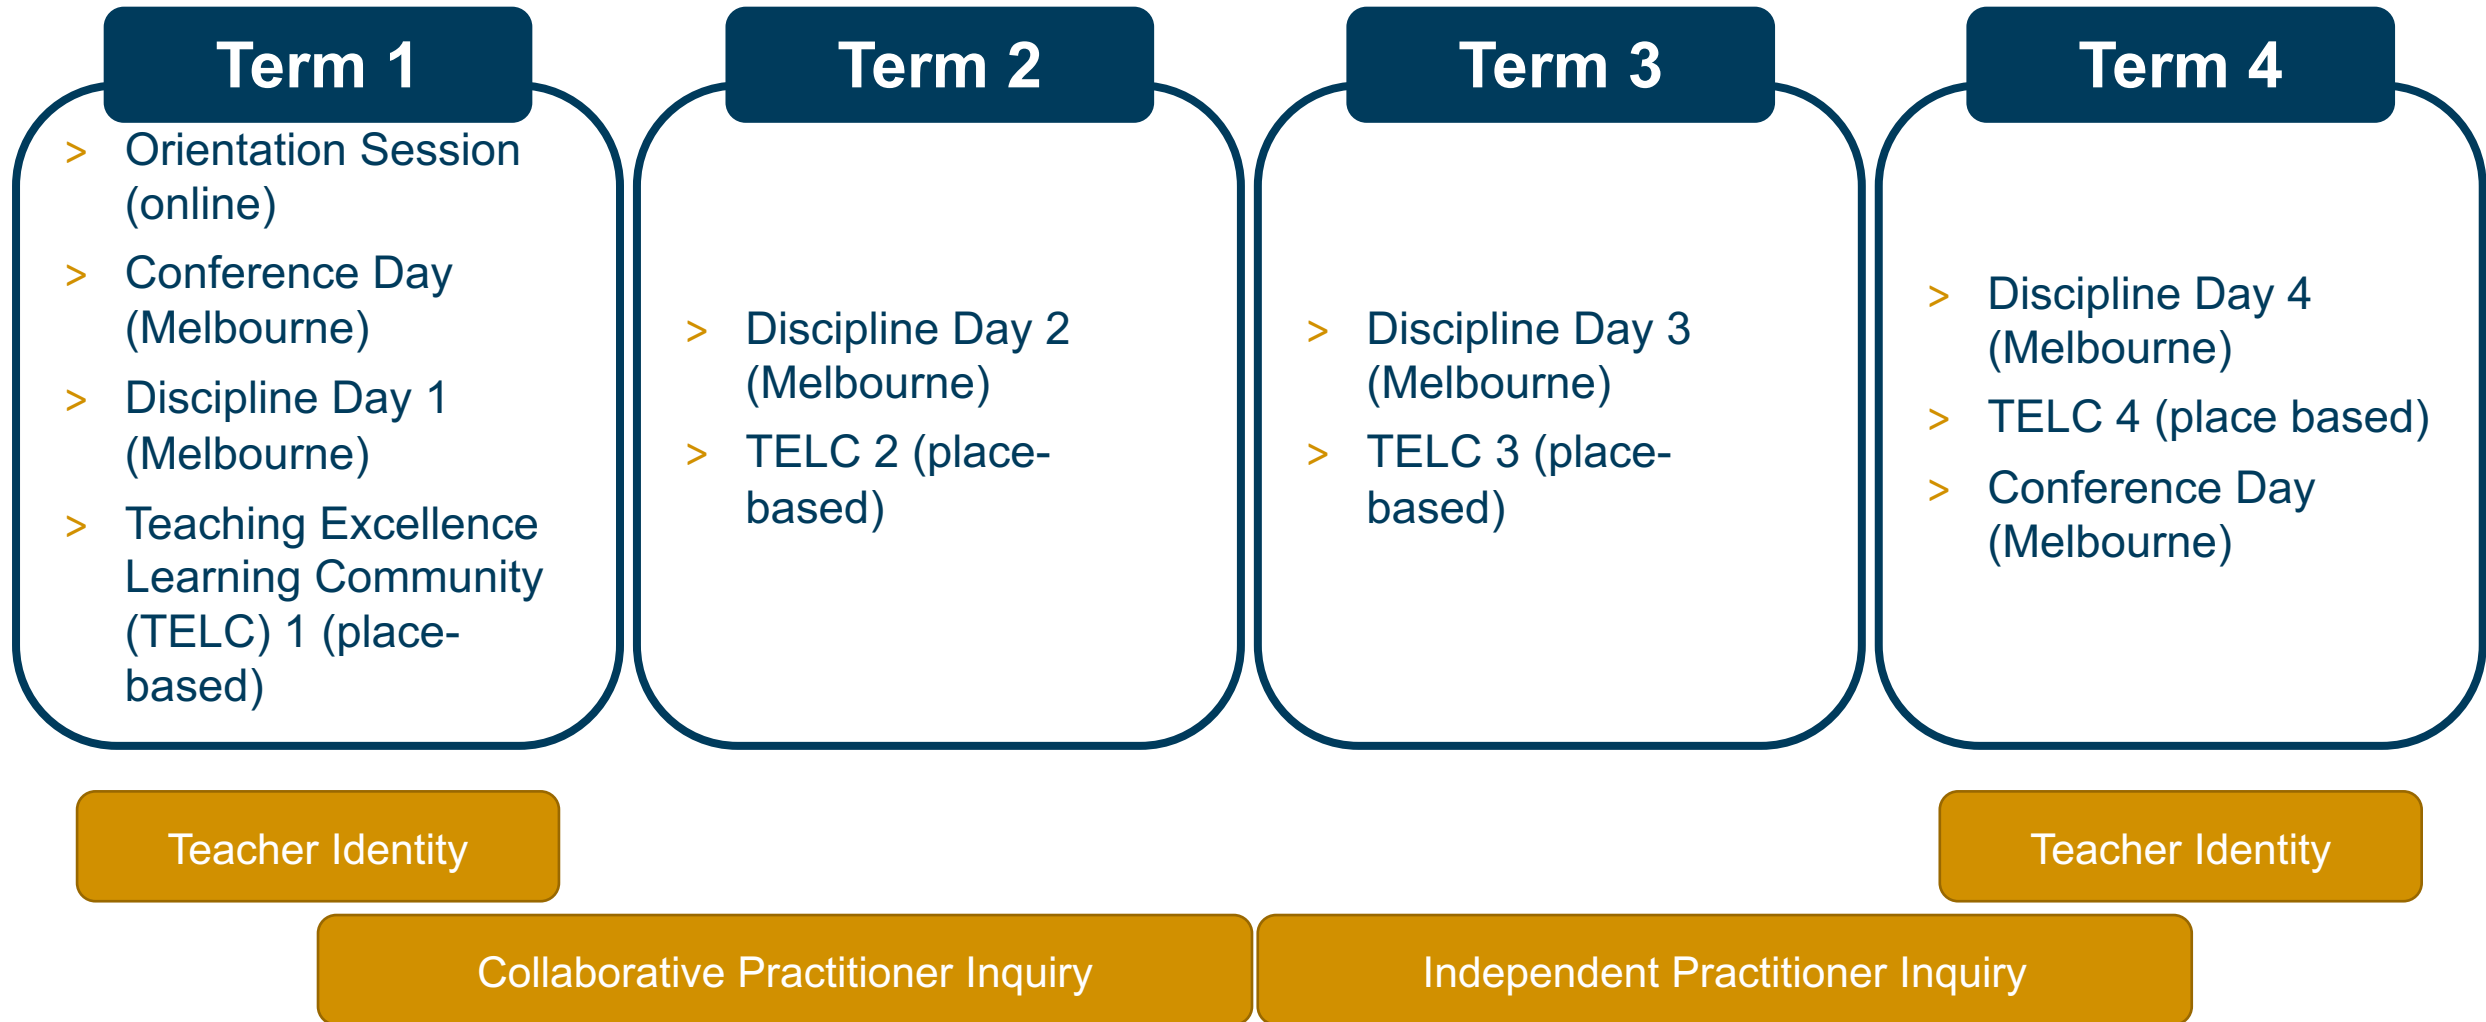

Developing you as a
classroom practitioner

Place-based

TEP overview*

 = TEP Learning Events

 = TELC and school-based inquiries

*2024 Program

Discipline Days

The program is structured around 8 key disciplines:

- > The Arts
- > English, including English as an additional language
- > Health and Physical Education
- > The Humanities
- > Languages
- > Mathematics
- > Science
- > Technologies

Teaching Excellence Learning Communities (TELCs)

Eligibility

To be eligible for the program you must:

- > have minimum 3 years' teaching experience
- > have access to a classroom setting to conduct a practitioner inquiry
- > be in an education-based role in Victoria (full-time or part-time)
- > be an Australian citizen or a permanent resident
- > have full teacher registration with the Victorian Institute of Teaching
- + *have your principal's endorsement and ongoing support (a manager can replace a principal where necessary).*

Financial support

- > Program fees are fully subsidised
- > Participation subsidies are available to cover CRT costs*
- > Regional and rural schools have access to a regional subsidy.
